# DESIGNED IN CANVA

Why invest time and money in building a new brand if you're unsure how to bring it to life on social media? I can create customizable Canva templates that are easy to resize and tailor to your platforms. You'll receive a PDF with clickable links to the templates, along with a brand board that outlines the correct fonts, colors, and graphics to maintain consistency in your designs.

# SOCIAL ONE

This entry-level package gives you 8 different post templates to start with, a social icon and a Brand board with all the goodies needed to get you started. It works perfectly for Instagram, but can also be used for Facebook.

- + 8 x square social media branded templates
- + 2 x social icon
- + 1 X Canva Brand board showing your brand elements, including fonts, colours, logos, design elements.
- + PDF document with links to the templates
